APPENDIX B - SITE - PROPOSED PATH, GARDEN AND ART LOCATIONS

ALLOWABLE LOCATIONS FOR ART WORK(S)

The art work(s) shall be located within 2.0 metres of the proposed pathway or in the garden and seating area. The art work may be a series of works or a single work. Works installed to be flush with grade may be installed in the gravel path. No works shall be located under an existing tree canopy. No works shall be located within 30.0 m of either end of the trail. No work shall be higher than 1.0 metres above grade unless located in the garden and seating area. See Appendix C Material and Methods for more information.
